Born on the land and soil on December 27, 1984, in Houston, Texas Republic, I am a private state national, owing allegiance to the republic. I am not to be mistaken or confused as a U.S. Citizen, a statutory citizen subject to military occupied jurisdiction, an enemy combatant, or an infant minor.

Now that I have reached the age of majority, I accept ab initio the gift of the estate and indemnify and hold harmless any trespasses done against it in the past. It is my will and intent to perfect the title by accepting this gift.

In consideration of the passing of the title, I hereby tender ten \$1 canceled United States Postage stamps.

Notice of InterestRA068911813US-04

As a lawful, recognized, and wholly equitable right does Trenton-Charles: Garrett, as Grantee and Private State National have given lawful and valuable consideration to the certificated, accepted, and transferred asset and am now stepping forward as the

Grantor and Settlor of the TRENTON CHARLES GARRETT ESTATE TRUST.
The assets underpinning the estate have been removed from the public domain and have been transitioned into the Private under Trust, thereby becoming a part of the Private Trust indenture. It is my intention and desire to benefit from all the rights, titles, interest, equity, rents, issues, and proceeds derived from the secured asset.

I would like to inform all that this notice of interest is issued from the Living Estate Trust, where I, in my role as the Grantee, have perfected the title. I have stepped forward as the Grantor, delivered and transferred the title to the Living Estate Trust, and the Trustee has accepted the Absolute title. The Trustee now possesses the legal title and equitable title and is entitled to the equitable interest arising from the said asset.

Part 2 – Living Will Declaration (to say that I do not want to artificially prolong the process of dying)

If I am incapacitated and suffer from a terminal illness, end-stage condition, or am in a persistent vegetative state, and if my attending or treating physician and another consulting physician have determined that there is no reasonable medical probability of my recovery from such condition, I direct that life-prolonging procedures be withheld or withdrawn when the application of such procedures would serve only to prolong artificially the process of dying, and that I be permitted to die naturally with only the medication or medical procedure(s) deemed necessary to provide me with comfort care or to reduce or eliminate pain. It is my intention that this declaration be honored by my family, surrogate, and physicians as the final expression of my legal right to refuse treatment and to accept the consequences of such refusal.

Treaty of Peace

I, Trenton-Charles, a member of the family Garrett, was wholly unaware that my loyal State government is subverted and occupied by the government currently established in Washington, D.C. as "United States." It appalls me to discover that the United States has, by implication, considered me an alien enemy as a result of a rebellion that has been ongoing longer than I have been alive.

It further disturbs me that offers of peace, amnesty, clemency, and pardon were lawfully extended to me and my ancestors, but due to the lack of public notice and disclosure of these offers, I have until now failed to avail myself of their benefits. It was never my intent to support, aid, or give comfort to any rebellion, whether by implication or by direct intent. By this act, I seek to correct the public record and to have my rights, rights to property, and property restored. I am, and have always been, a loyal American.

OATH OF AMNESTY, CLEMENCY, AND PARDON

"I, Trenton-Charles: Garrett, do solemnly swear, in the presence of Almighty God, that I will henceforth faithfully support, protect, and defend the Constitution of the United States, and the Union of the States thereunder; and that I will, in like manner, faithfully abide by and support all laws and proclamations which have been made during the existing rebellion with reference to peace, amnesty, clemency, pardon, the restoration of rights, the relief of penalties, and the re-establishment of public order and safety, including those contemplated under applicable federal law, including 50 U.S.C. § 4305(b)(2), so help me God."

ACCEPTANCE OF AMNESTY, CLEMENCY, AND PARDON

With this act, I expressly accept and claim the full benefit of peace, amnesty, clemency, and pardon as offered by Presidents Abraham Lincoln and Andrew Johnson.

This Treaty of Peace expressly incorporates by reference the attached "Acceptance of Clemency," executed contemporaneously herewith, which forms an integral part of this Treaty and perfects the acceptance of executive mercy, clemency, and restoration offered thereby.

RATIFICATION

Executed this 28th day of December, 2025.

ACCEPTANCE OF CLEMENCY

(Supplemental to Treaty of Peace)

I, Trenton-Charles, a member of the family Garrett, being of lawful age and sound mind, hereby give formal notice of my knowing, voluntary, and express acceptance of clemency, including executive mercy, remission, mitigation, and forgiveness of any and all offenses, penalties, disabilities, or forfeitures, whether real, presumed, implied, constructive, or alleged.

This acceptance is made pursuant to the Presidential Proclamations of Amnesty, Clemency, and Pardon issued by Presidents Abraham Lincoln and Andrew Johnson.

By this acceptance:

- All penalties, disabilities, and forfeitures are remitted.
- Any presumption of hostility or rebellion is extinguished.
- My status is restored to peace, protection, and favor under the Constitution.

This acceptance is made nunc pro tunc and does not constitute an admission of guilt.

FORMAL NOTICE OF RESCISSION, WITHDRAWAL OF CONSENT, AND REQUEST FOR ACKNOWLEDGMENT

NOTICE AND REQUEST

I, Trenton-Charles: Garrett, a living Indigenous heir of the original peoples of the Americas, issued this Notice in good faith, under natural law, ancestral law, and the authority of conscience granted by the Most High.

This document serves as formal notice, rescission, withdrawal of consent, and request for response.

I. STATUS AND PRIORITY OF EXISTENCE

I am Indigenous to the lands of the Americas, with lineage predating any Papal Bull, ecclesiastical decree, colonial charter, crown grant, or doctrine asserting discovery, dominion, or authority.

My ancestors existed as free peoples with inherent spiritual, territorial, and communal sovereignty prior to any assertion of authority by the Roman Catholic Church or its agents.

II. PAPAL BULLS AND ASSERTED AUTHORITY

I acknowledge that Papal Bulls and related doctrines were historically used to justify claims of authority over Indigenous peoples, souls, estates, lands and resources.

I assert that such claims were made:

- Without informed consent
- Without lawful jurisdiction
- Without authority from the Most High as recognized by my people

Any such assertions are void as applied to my lineage.

III. RESCISSION AND WITHDRAWAL OF CONSENT

I hereby rescind, withdraw, and permanently revoke, retroactively and prospectively, any presumed, implied, coerced, constructive, or fraudulent consent allegedly given by or on behalf of myself or my ancestors and heirs to any:

- Papal Bull
- Doctrine of Discovery
- Ecclesiastical or temporal instrument

asserting authority over:

- My soul and spiritual being
- My estate, inheritance, and labor
- My ancestral lands and territories
- My bloodline and heirs

No such consent was ever knowingly or lawfully given.

IV. REQUEST FOR RETURN AND RESTORATION

I hereby request formal acknowledgment, relinquishment, and return of any and all asserted claims, interests, authority, or dominion—spiritual, temporal, legal, or symbolic—over:

1. My soul and spiritual autonomy
2. My estate and inherited rights
3. My ancestral lands and territorial inheritance

This includes cessation of any claim of trusteeship, guardianship, conversion authority, or stewardship.

V. REQUIREMENT OF SEALED RESPONSE

A written response is required, issued under official seal and letterhead of the Holy See, stating one of the following:

- Acknowledgment and relinquishment of any claimed authority; or
- The specific legal, spiritual, or ecclesiastical basis relied upon to assert such authority.

Failure to respond shall be documented as non-contest and lack of standing, without prejudice to any rights reserved.

VI. NON-ACQUIESCENCE AND RESERVATION OF RIGHTS

Silence shall not be construed as consent.

Delay shall not be construed as authority.

All rights—ancestral, spiritual, natural, inherent, known and unknown—are expressly reserved.

VII. UNITED NATIONS DECLARATION ON THE RIGHTS OF INDIGENOUS PEOPLES

This Notice is further supported by, including but not limited to:

- Article 3 – Right to self-determination
- Article 8 – Freedom from forced assimilation
- Article 25 – Spiritual relationship with lands
- Article 26 – Rights to lands, territories, and resources
